### Note on privacy

If you call us or send us an email, we will have to enter your name, telephone number or email address, for possible home visits, your address and for non-cash payments your account details. This happens digitally as usual today. Whenever you visit us or we you, we usually record - in key words - data on your health problems in order to better respond to your wishes and concerns about further treatments.

Your data will not be disclosed to third parties without your explicit consent.

By signing, you agree to this data collection. You can object to this at any time and we will delete your information promptly. Otherwise, we would keep them to the usual legal archival deadlines, so that we have them at further contacts at any time.

**Note about our work**

In our practice we work according to the ruling of the Federal Constitutional Court of 02.03.2004 (file number 1 BvR 784/03).

We must therefore expressly point out to our clients that our activities do not replace the diagnosis or treatment of the doctor or alternative practitioner. Our offer - energetic and shamanic healing - serves exclusively to activate the self-healing powers of our clients.

With my signature, I confirm receipt of this notice prior to treatment.
